

# BEYOND OURSELVES

## 2009 Mission Canada Women's Awareness Day

Suggested Date: March 8 or May 10 (Mother's Day)  
(or at the convenience of Women's coordinator and the Pastor)

### IDEAS

- Plan with a purpose consulting with your Pastor on all the details
- Promote through bulletin boards, the church bulletin, and announcements
- An effective service should be relevant and challenging
- A call to women (people) to fulfill their potential in God
- Through creative ways, involve as many women as possible in the events of the day
- Invite community women to attend
- Relay appreciation of their faithful giving
- Promote the significance of women through highlighting events, bible studies, special groups (moms, exercise, etc.), and testimonies.
- We thank you for your financial assistance which is vital in support of both District and International Mission Canada Women (The total offering is to be sent to your District Director where 1/3 is kept by the District and 2/3 is sent to the International office)
- Suggestions:
  - A second offering
  - All undesignated funds in regular offering
- Set up a table or booth of projects, information, resources and upcoming events
- It is important that informed, friendly women assist at the table, usher, greet, etc.
- Provide a list of opportunities for women to minister through women in the church, and in the community
- This is a good day to honour women for their service, influence and faithfulness
- Depend on the gifts and power of the Holy Spirit to minister to the hearts of those present
