A Prayer for a Special Child

My Heavenly Father,

I pray that you will care for this special child

Please comfort them when they are lonely

Feed them when they are hungry

Give their mother and father wisdom

And strength to care for them

Prepare their ways

So their paths would be straight

Prepare their hearts

So they would learn to love you

Prepare their minds

So they would discern the things of God

Bless my precious child!

ChildCARE Plus is a unique gift to a child. Each child is specially chosen by a missionary working in the community. The missionary knows the family's and community's needs and how best to meet those needs to give the child a future of hope. The missionary ensures each of your monthly gifts go directly to the well-being of your sponsored child, which lets them grow up with opportunities that would not be possible without your help.

Opportunities for things like...

- nutritious food
- regular health care
- going to school
- clothing and shoes
- hope for the future
- ...and much more.

To sponsor a child today, follow these 2 simple steps:

- select your easy method of payment
- fill out the attached form and bookmark and give to your ChildCARE Plus presenter or send into ERDO

We have included a special bookmark for you to keep as a reminder to pray for your sponsored child. Keep it somewhere you will see it often and pray that your sponsored child would know the love of Jesus through your support and the care of the ChildCARE Plus missionaries.

Don't forget to sign your name and write a short greeting for your sponsored child on the bookmark specially prepared for them!

This bookmark is a small gift that your sponsored child will be thrilled to receive – along with the good news that they have a sponsor! They will be eager to write to you and tell you more about their family, school and community.
