

PAOC Missions Hotline – Week of June 15, 2009

Stephen & Elaine Conrad

TANZANIA

Steve and Elaine are serving as interim directors of the Starehe Children's Home over the next year, working alongside and supporting Ron and LouDell Posein in meeting the physical, emotional, and spiritual needs of the children. Please pray for Steve and Elaine's health as they are both currently ill with malaria. Pray that their two children who have accompanied them will remain healthy. Pray also that the love of Christ will impact the hearts and lives of the children at Starehe as the Conrads minister to them and build relationships with them.

Frank Juelich

INDIA

Please pray for Bapu (Frank's right-hand man) as he had a car accident last Friday (June 5) in which the car turned over and is a complete loss. Bapu had a few scratches, but was not seriously injured. He had three passengers with him and none of them were injured. Praise God that the injuries were not more serious. Pray for Bapu as he was badly shaken up. On Saturday, June 20, the first busload of children will arrive at the homes run by Frank in Nagpur. Pray for the protection of all of the children and that their hearts, minds and lives will be greatly impacted by the love of Christ.

IRAN

Please pray that the violence taking place in Tehran following last Friday's presidential election will come to an end as many are being injured and even killed. Pray that the love of Christ would flood through the streets and touch many people's hearts and lives. Pray also that peace would ultimately prevail.

DEMOCRATIC REPUBLIC OF CONGO & SRI LANKA

Please pray for these devastated regions affected by civil war and for the people who live there, and for those in relief camps. Pray that their physical, emotional and spiritual needs would be met. Pray also that these people would sense the love that God has for them. Pray that provision would be made for all of the medical needs and that foreign aid will be properly and appropriately distributed.
