

PAOC Missions Hotline – Week of June 29, 2009

Paul & Paula Bradbury

SENEGAL

Urgent request: "We are asking for prayer for the family of a Dakar Academy (DA) student. As some of you may have heard in the news, an American professor was killed in Mauritania yesterday (June 23). Reports are that it was an attempted kidnapping. When the men were not able to overpower the man, they shot him. The man was the father of a DA student."

Prayer Focus: Please pray that God will comfort and support this grieving family during this very difficult time. Pray for the safety and spiritual protection of all the workers and their families in this region.

Michael & Sheila Middlebrook

KENYA

Update: "As of June 23, Sheila has completed her treatment regimen for breast cancer (sixteen sessions of radiotherapy, along with six cycles of chemotherapy). Other than an element of fatigue, Sheila is doing very well. Though we do not have exact dates, as of yet, follow-up appointments will be scheduled with Sheila's medical oncologist, radiation oncologist, and her surgeon. We are very optimistic as we consider what the future holds for us in the will of God.

Prayer Focus: Praise God that Sheila's treatment is completed. Please pray that any follow-up appointments go well. Pray also for Michael and Sheila's plans and decisions regarding their ministry at the Pentecostal Bible College in Nyang'ori, Kenya.

Sergio & Nancy Bersaglio

ZAMBIA

Please pray for the new Village of Hope in Chongwe, where the groundbreaking ceremony was recently held. Pray for God's blessing upon the construction of the buildings. Pray that many children's lives will be touched by God and eternally changed by Christ's love through this ministry. Pray also that the Village of Hope staff will be spiritually, physically and emotionally strengthened and protected.
