About the Protection Plus Team

Each and every week, our customer service representatives help hundreds of organizations with their insurance and risk management needs...from helping trustees to evaluate and protect charitable assets, to educating directors and officers about their fiduciary duties and legal responsibilities, to arranging safety inspections of premises to prevent injury, to giving advise about operating sports and recreation activities, implementing and maintaining abuse prevention plans, to much more...

We work hand in hand with your organization and leaders to reduce preventable risk so that you can focus on what's important to you... your ministries, programs and charitable Christian purposes.
