

## Manage Online Donations With Ease

When looking for church **giving** software, you need one that integrates with church **management** software (ChMS). When giving, membership, volunteers, and events can all be managed on one platform, you win! A good ChMS also allows churches to automate administrative tasks, track attendance, and manage church finances. Finally, the best church management software solutions support child check-in, follow-up processes, and small group activities.

When it comes to online giving, **Tithely** is the most **comprehensive** and **user-friendly** platform for churches of all sizes.

### Here's why Tithely is the best tool for managing online donations:

#### Ease of Use

Tithely is designed to make online giving easy for both church members and administrators. With a simple, intuitive interface, donors can give quickly via the church website, mobile app, or even text messages. This streamlined experience reduces barriers to giving, making it more likely that members will contribute regularly.

#### Affordable and Scalable

Tithely provides competitive pricing, with plans that fit the budgets of small churches while offering scalable solutions for larger congregations. Tithely's low transaction fees and customizable features make it an affordable option for churches that want to maximize generosity and tap into their online giving potential.

#### Multiple Giving Options

Tithely supports a variety of giving methods, including one-time donations, recurring gifts, and text-to-give. This flexibility ensures that donors can give in a way that works best for them, whether they prefer using their credit card, mobile app, or another method.

#### Secure and Reliable

Security is a top priority for Tithely. We use industry-standard encryption and security measures to ensure that every transaction is safe. We aim to build trust so you and your congregation can give online with confidence.

#### Does Tithely Offer Integrated Church Management Software?
