# GENERAL CONSTITUTION AND BY-LAWS

The Pentecostal Assemblies of Canada

## PREFACE

The Pentecostal Assemblies of Canada was established by letters patent issued by the Secretary of State of Canada on May 17, 1919, and is registered as a charitable organization with Canada Revenue Agency.

The General Conference has adopted the *General Constitution and By-Laws* as hereinafter printed.

## CORE VALUES: September 1999

We value God: His Word, and His creation, His redemptive purpose in Christ for the world, and His presence through the Holy Spirit.

We value people without Christ to whom we owe the compassion of Christ and an opportunity to receive the gospel and enter into Christian fellowship.

We value individual believers and their personal commitment to Christ, the Spirit baptism, discipleship, Christian family life, and fulfillment of the will of God.

We value local churches worldwide which are marked by sound doctrine, Pentecostal worship, every-member ministry, loving relationships, Holy Spirit-empowered evangelism, anointed proclamation and practical expression of Christian faith.

We value a cooperative fellowship that enhances the church's ability to fulfill its mandate, through servant leadership, a shared vision, flexible structures, and strategic mobilization of its resources.

## MISSION STATEMENT: November 2009

To glorify God by making disciples everywhere by proclaiming and practicing the Gospel of Jesus Christ in the power of the Holy Spirit.

## PREAMBLE

WHEREAS it is the express purpose of God, our heavenly Father, to call out of the world a saved people, who shall constitute the Church of Jesus Christ, built and established upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief cornerstone, and

WHEREAS the members of the body, the Church of Jesus Christ, were enjoined to assemble themselves together for worship, fellowship, counsel and instruction in the Word of God, the work of the ministry and for the exercise of those spiritual gifts and offices provided for the New Testament church order, and

WHEREAS it is evident that the early apostolic church came together in such fellowship as a representative body of saved, Spirit baptized believers who ordained and sent out evangelists and global workers, and who, under the supervision of the Holy Spirit, set over the church pastors and teachers, therefore,

BE IT RESOLVED we recognize that we are a cooperative fellowship of Pentecostal, Spirit-baptized saints from local Pentecostal assemblies of like precious faith throughout Canada, whose purpose is to exercise scriptural direction over the various local assemblies, but not to deprive them of their scriptural rights and privileges, to recognize and promote scriptural methods for worship, unity, fellowship and work for God, and to disapprove unscriptural methods, doctrines and conduct, endeavoring to keep the unity of the spirit in the bond of peace "until we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect person, unto the measure of the stature of the fullness of Christ" (Ephesians 4:13).

## **ARTICLE 5 STATEMENT OF ESSENTIAL TRUTHS**

### **PREAMBLE**

This version of the Statement of Essential Truths represents the result of an extensive collaborative process to rephrase and refresh what is most essential to us. As before, we make no claim that this statement covers all biblical truth, nor that the human phraseology employed here is inspired. We recognize as we did at the outset of our movement that there is some diversity of theological thought among us, but we remain committed as a Pentecostal community to the historic creeds of the church, to evangelical convictions of faith, and to the Full Gospel that Christ is Saviour, Healer, Spirit-Baptizer, and Soon Coming King.

### **TRIUNE GOD**

There is one God, the creator, who exists eternally in unity as three equal persons: Father, Son, and Holy Spirit.<sup>1</sup> The triune God is loving, holy, infinite, just, and worthy of all worship.<sup>2</sup>

The Father accomplishes his plan of salvation through both redemption and judgement.<sup>3</sup> All things will be subject to him, and his kingdom will have no end.<sup>4</sup>

<sup>1</sup> Matt 28:19; 2Cor 13:14

<sup>2</sup> Exod 34:6-7; Psa 99:4-5

<sup>3</sup> Exod 6:6; Rom 1:16-18

<sup>4</sup> Psa 103:19; Rev 11:15; Eph 1:10

The Father sent the Son, the Lord Jesus Christ, who was conceived by the Holy Spirit and born of Mary when she was a virgin.<sup>5</sup> Jesus became fully human while remaining fully God.<sup>6</sup> Anointed by the Spirit, Jesus revealed the Father and the kingdom of God by his sinless life, teaching, and miracles.<sup>7</sup> After he died for our sin, God raised him from the dead, and he is now at the right hand of the Father.<sup>8</sup>

The Holy Spirit proceeds from the Father through the Son and gives life throughout creation.<sup>9</sup> The Spirit draws people to repentance and new life in Jesus Christ.<sup>10</sup> Through the Spirit's indwelling, the Father and the Son are present to all believers, making them children of God.<sup>11</sup>

## **BIBLE**

The Bible, both Old and New Testaments, is the written revelation of God's character and saving purposes for humanity and for all creation.<sup>12</sup> As God's revelation, the entire Bible is true and trustworthy, and is the final and absolute authority for belief and conduct.<sup>13</sup> The Holy Spirit who inspired the Bible enables its interpretation and application.<sup>14</sup>

## **CREATION**

God created and sustains the heavens and the earth,<sup>15</sup> which display God's glory. Formed in the image of God, both male and female, humankind is entrusted with the care of God's creation as faithful stewards.<sup>16</sup> As a result of human rebellion, sin and death entered the world, distorting the image of God and all of God's good creation.<sup>17</sup>

Angels were created as supernatural beings to worship and serve God.<sup>18</sup> Along with Satan, some angels chose to rebel and oppose the purposes of God.<sup>19</sup> Christ gives believers victory over Satan and these demons.<sup>20</sup>

## **SALVATION**

Salvation is available to all people by the loving, redemptive act of the triune God.<sup>21</sup> Through obedience to the Father,<sup>22</sup> Christ gave himself as a ransom.<sup>23</sup> Christ, who had no sin, became sin for us offering himself and shedding his blood on the cross so that in him we might become right with God.<sup>24</sup> The life, death, resurrection, and ascension of Christ<sup>25</sup> provide the way of salvation for those who, by God's grace, repent from their sin and confess faith in Jesus Christ as Lord.<sup>26</sup>

Salvation means to receive the Spirit, to be forgiven, reconciled with God and others, born again, and liberated from sin and darkness, transferring the believer into God's kingdom.<sup>27</sup> Our experience of liberation includes healing — whether spiritual, physical, emotional, or mental — as a foretaste of our future, complete restoration.<sup>28</sup> Those who remain in Christ and do not turn away are assured of salvation on judgement day by the indwelling Holy Spirit,<sup>29</sup> who sanctifies and empowers believers for Christ-like living and service.<sup>30</sup>

## **SPIRIT BAPTISM**

On the Day of Pentecost, Jesus poured out the promised Holy Spirit on the church.<sup>31</sup> As his return draws near, Jesus continues to baptize in the Holy Spirit those who are believers.<sup>32</sup> This empowers them to continue his work of proclaiming with speech and action the good news of the arrival and coming of the kingdom of God.<sup>33</sup> This experience is available for everyone, male and female, of every age, status,<sup>34</sup> and ethnicity.<sup>35</sup>

The sign of speaking in tongues indicates that believers have been baptized with the Holy Spirit<sup>36</sup> and signifies the nature of Spirit baptism as empowering our communication, to be his witnesses with speech and action as we continue to pray in the Spirit.<sup>37</sup>

## **THE CHURCH**

Jesus Christ is the head of the church.<sup>38</sup> All who are united with Christ are joined by the Spirit to his body.<sup>39</sup> Each local church is an expression of the universal church whose role is to participate in the mission of God to restore all things.<sup>40</sup>

Central to the church is the shared experience of the transforming presence of God.<sup>41</sup> The church responds with worship, prayer, proclamation, discipleship, and fellowship,<sup>42</sup> including the practices of water baptism and the Lord's Supper. Baptism by immersion symbolizes the believer's identification with Christ in his death and resurrection.<sup>43</sup> The Lord's Supper symbolizes Christ's body and blood, and our communion as believers. Shared together, it proclaims his death in anticipation of his return.<sup>44</sup>

The Spirit gives all gifts to the church to minister to others in love for the purpose of bearing witness to Christ and for the building up of the church.<sup>45</sup> The Spirit also empowers leaders, both female and male, to equip the church to fulfil its mission and purposes.<sup>46</sup>

## **RESTORATION**

Our great hope is for the imminent return of Christ in the air to receive his own, both the living who will be transformed, and the dead in Christ who will be resurrected bodily.<sup>47</sup> Christ will complete at his second coming the restoration begun when he initiated God's kingdom at his first coming.<sup>48</sup> Christ will liberate creation from the curse, fulfil God's covenant to Israel, and defeat all powers that oppose God.<sup>49</sup> Every knee will bow and every tongue will confess that Jesus Christ is Lord, to the glory of God the Father.<sup>50</sup>

Ultimately, God will judge the living and the dead.<sup>51</sup> Such judgement is God's gracious answer to humanity's cry for justice to prevail throughout the earth and is consistent with God's character as loving, holy, and just.<sup>52</sup> The unredeemed will go away into eternal punishment, but the redeemed into eternal life.<sup>53</sup> The redeemed will enjoy the presence of God where there will be no more death or sorrow or crying or pain.<sup>54</sup> Amen. Come, Lord Jesus!<sup>55</sup>

## **ARTICLE 6 POSITIONS AND PRACTICES**

### **6.1 MARRIAGE AND THE FAMILY**

Marriage is a provision of God wherein one man and one woman to the exclusion of all others enter into a lifelong relationship<sup>56</sup> through a marriage ceremony that is recognized by the church and legally sanctioned by the state.

Marriage establishes a "one-flesh" covenantal relationship<sup>57</sup> that goes beyond a physical union and is more than either a temporary relationship of convenience intended to provide personal pleasure or a contract that binds two people together in a legal partnership. Marriage establishes an emotional and spiritual oneness that enables both partners to respond to the spiritual, physical and social needs of the other.<sup>58</sup> It provides the biblical context for the procreation of children.

Marriage is to be an exclusive relationship that is maintained in purity.<sup>59</sup> It is intended by God to be a permanent relationship. It is a witness to the world of the relationship between Christ and His church.<sup>60</sup>

Marriage requires a commitment of love, perseverance and faith. Because of its sanctity and permanence, marriage should be treated with seriousness and entered into only after counsel and prayer for God's guidance. Christians should marry only those who are believers.<sup>61</sup> An individual who becomes a believer after marriage should remain with his/her partner in peace, and should give witness to the Gospel in the home.<sup>62</sup>

The Bible holds family life as a position of trust and responsibility. The home is a stabilizing force in society, a place of nurture, counsel, and safety for children,<sup>63</sup> therefore, abuse has no place in a marriage or in the home.

### **6.2 DIVORCE**

We believe that divorce is not God's intention but a concession "because your hearts were hard."<sup>64</sup>

We, therefore, discourage divorce. Our objective is reconciliation and the healing of the marital union wherever possible. Divorce in our society is a termination of a marriage through a legal process authorized by the State. While the Church recognizes this legal process as an appropriate means to facilitate the permanent separation of spouses, we restrict the idea of divorce, in the sense of dissolution of marriage, to reasons supported in Scripture: marital unfaithfulness<sup>65</sup>, pre-conversion divorce<sup>66</sup>, the abandonment of the believer by the unbeliever<sup>67</sup>, or domestic abuse by a spouse, toward a spouse or child.<sup>68</sup>

The biblical record includes evidence that God hates the violence associated with divorce; "The man who hates and divorces his wife," says the LORD, the God of Israel, "does violence to the one he should protect," says the LORD Almighty.<sup>69</sup> Divorce is more than an action of the courts which breaks the legal contract between partners in a marriage. It is also the fracture of a unique human relationship between a male and a female. Divorce has profound consequences for the children.

Where all attempts at reconciliation have failed and a divorce has been finalized, we extend Christ's love and compassion.

### **6.3 REMARRIAGE**

Remarriage is the union of one man and one woman, legally sanctioned by the State, one or both of whom have been previously married.

### **6.4 GENDER**

We believe in the biblical teaching of God's original and ongoing design for humanity as two distinct sexes, male and female, determined by genetics. The basis and the intent for this is the conviction that the matter of human sexuality and gender is fundamental to biblical anthropology, not merely biblical morality. Due to human sin and brokenness, our experience of our sex and gender is not always that which God the Creator originally designed. In light of this foundational understanding of creation, fall, and redemption, we will avoid any behaviour or alignment with identity that contradicts the biblical teaching. We do not affirm the resolution of tension between one's biological sex and one's experience of gender by the adoption of an identity contradictory with one's birth sex.

### **6.5 TITHING**

Tithing was divinely instituted by God under the old covenant and was compulsory upon the people who worshiped God.<sup>70</sup> Under the new covenant we are not bound by arbitrary laws; but the principles of right and wrong, as expressed by the law, are fulfilled in the believer's life through grace. Grace should produce as much as or more than law demanded. Regular systematic giving is clearly taught in the New Testament. It is known as the grace of giving.<sup>71</sup> The gauge or rule of this systematic giving is defined in the Old Testament, known as the law of tithing. All Christians should conscientiously and systematically tithe their income to God.

## **10.6 DISCIPLINE**

### **10.6.1 THE NATURE AND PURPOSES OF DISCIPLINE**

Discipline is an application of scriptural principles that guide conduct and lifestyle. The aims of discipline are that God may be honored, that the purity and welfare of the ministry may be maintained, and that those under discipline may be brought to repentance and restoration.

Discipline is to be administered for the restoration of the minister as a person, while fully providing for the protection and advancement of the spiritual welfare of our local assemblies. It is to be redemptive in nature as well as corrective, and is to be exercised as under a dispensation of both justice and mercy. The following actions shall be administered with gentleness.

### **10.6.2 CAUSES OF DISCIPLINARY ACTION**

- 10.6.2.1** Credential holders shall be expected to maintain biblical standards of holiness, guarding their lives against conformity to the world in appearance, in selfish ambition, in carnal attitudes and evil associations, and always, as ministers of the gospel of Jesus Christ, shall seek to conform to the positive virtues of love, mercy, and forgiveness as taught by the Lord.

Credential holders shall be expected to refrain from "acts of the sinful nature: sexual immorality, impurity and debauchery, idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions and envy; drunkenness, orgies, and the like" (Galatians 5:19-21 NIV). Sexual immorality shall be interpreted to mean common-law marital relationships, premarital and extramarital sexual relationships (1 Corinthians 6:15-18; 7:1-2; 1 Thessalonians 4:3-8; Hebrews 13:4), and all forms of homosexual activity, along with other practices deemed inexcusable for Christian conduct, and which place a person under God's judgment (Romans 1:26-2:11).

- 10.6.2.1.1** Violation of Biblical mandates as stated in this *General Constitution and By-Laws* may give just cause for disciplinary action.

**10.6.2.1.1.1** Any moral failure involving sexual misconduct (including but not limited to heterosexual or homosexual activity, incest and sexual assault).

**10.6.2.1.1.2** Any moral failure of a sexual nature (including but not limited to improper physical contact, sexual exploitation, luring a child, harassment, pornography, and any sexual conduct or advocacy of sexuality unbecoming a credential holder).

**10.6.2.1.1.3** Any moral or ethical failure other than sexual misconduct or any conduct unbecoming to a credential holder (including but not limited to deception, fraud, theft, assault, and drunkenness).

**10.6.2.1.1.4** The propagation of doctrines and practices contrary to those set forth in the *Statement of Essential Truths and Positions and Practices* of The Pentecostal Assemblies of Canada.

- 10.6.2.2** In keeping with "*the royal law found in Scripture, 'Love your neighbor as yourself,'*" (James 2:8 NIV) and Paul's use of his freedom outlined in 1 Corinthians 9:19-23 NIV, "*Though I am free and belong to no one, I have made myself a slave to everyone, to win as many as possible. To the Jews I became like a Jew, to win the Jews. To those under the law I became like one under the law (though I myself am not under the law), so as to win those under the law. To those not having the law I became like one not having the law (though I am not free from God's law but am under Christ's law), so as to win those not having the law. To the weak I became weak, to win the weak. I have become all things to all people so that by all possible means I might save some. I do all this for the sake of the gospel, that I may share in its blessings*".

Credential holders shall be expected to live by the principles of servant leadership and limit their liberties for the sake of others.

**10.6.2.2.1** Violation of the principles of servant leadership and other actions that may bring reproach to the name and cause of Christ, may be just cause for disciplinary action. This includes but is not limited to:

**10.6.2.2.1.1** Failure to honour The Pentecostal Assemblies of Canada Ministers Code of Ethics and generally accepted ministerial courtesy.

**10.6.2.2.1.2** A contentious or non-cooperative spirit, or an arbitrary rejection of district (or Mission Global Operations Committee in the case of global workers) counsel and direction.

**10.6.2.2.1.3** The use of tobacco and the non-medical use of mood altering substances.

**10.6.2.2.1.4** The mismanagement of personal or church finances.

**10.6.2.2.1.5** Officiating at a marriage ceremony contrary to By-Law 10.9.

**10.6.2.2.1.6 ABUSE OR MISUSE OF POWER AND AUTHORITY**

Credential holders are expected to lead through servant leadership, marked by humility, fairness, and accountability. An abuse or misuse of power or authority may include, but is not limited to, coerciveness, manipulation, retaliation against a whistleblower, or intimidation. Signed allegations involving credentials shall be referred to the district executive or Mission Global Operations Committee for investigation under By-Law 10.6.

Notwithstanding the above, when more than 10 years have elapsed from an occurrence which is the cause for disciplinary action or the dismissal of a credential, a district executive or the Mission Global Operations Committee may determine after investigation that no discipline be administered when, in view of all the circumstances, it would appear that such discipline would serve only as being punitive in nature rather than rehabilitative. In the event that discipline is deemed appropriate, it would be the prerogative of the district executive or Mission Global Operations Committee to consider reducing the normal disciplinary action associated with the offence.

**10.6.3 DISTRICT AND MISSION GLOBAL INITIATIVE**

**10.6.3.1** Credential holders are responsible to the executive of the district in which their credentials are held or the Mission Global Operations Committee in the case of global workers.

Occasions sometimes arise which make it necessary to deal with credential holders who have reached a point at which, in the opinion of the district executive or Mission Global Operations Committee, endorsement can no longer be given. Committees, which have the authority to ordain ministers and to recommend them for credentials, also have the right to carry out disciplinary procedures arising from causes cited in By-Law 10.6.2.

Credential holders who have global worker status are subject to similar review and decision by the Mission Global Operations Committee. The Executive Director for Mission Global shall fulfill the role of the District Superintendent in the case of global workers.

**10.6.3.2** If allegations are brought against a district superintendent in accordance with By-Law 10.6.2, the matter shall be referred to the General Superintendent who shall oversee the disciplinary procedures as outlined in the *General Constitution and By-Laws* of The Pentecostal Assemblies of Canada.

If allegations are brought against a member of a district executive or Mission Global Regional Directors Committee that in the opinion of the District Superintendent or Executive Director of Mission Global would be a conflict of interest if processed by the district executive or Mission Global Operations Committee, or would be more appropriately expedited by a body other than the district executive or Mission Global Operations Committee, the District Superintendent or Executive Director of Mission Global shall refer the matter to the General Secretary Treasurer who shall oversee the disciplinary procedures as outlined in *the General Constitution and By-Laws* of The Pentecostal Assemblies of Canada.

**10.6.3.3** No charge shall proceed from allegations where the investigation determines that the allegation has arisen from the proper performance of duty by persons carrying out discipline procedures of

By-Law 10, or church disciplinary or resolution of conflict procedures provided for in By-Law 12, By-Law 14, or the *Local Church Constitution*.

- 10.6.3.4** Should the alleged offence have occurred prior to the time the person became a credential holder with The Pentecostal Assemblies of Canada or any other recognized religious body, the district executive or Mission Global Operations Committee would not proceed with such a case, unless legal charges were laid, in which case By-Law 10.6.7 shall apply.
- 10.6.3.5** If the alleged offence occurred in the credential holder's home district (the one in which the credential holder currently holds credentials), the District Superintendent, or the District Superintendent's appointee, and another credential holder appointed by the District Superintendent shall investigate the alleged offence and take appropriate action.
- 10.6.3.6** If the alleged offence occurred while under appointment with the Mission Global department, the Executive Director of Mission Global, or the Executive Director of Mission Global's appointee, and another credential holder appointed by the Executive Director of Mission Global shall investigate the alleged offence and take appropriate action.
- 10.6.3.7** The district executive or Mission Global Operations Committee shall be the hearing committee. In the event that either of these committees are compromised in any manner, or appear to lack impartiality, or lack gender and/or cultural diversity, it shall have the right to appoint a hearing committee composed of ordained ministers with at least five years experience in that district or department, to hear charges against a credential holder.
- 10.6.3.8** Should the alleged offence have occurred in a district other than the credential holder's current district, the District Superintendent of the district in which the offence took place shall conduct disciplinary procedures as outlined in By-Law 10 or should the alleged offence have occurred in a region other than the credential holder's current district, the Executive Director of Mission Global shall conduct disciplinary procedures as outlined in By-Law 10 with the following provisions:
  - 10.6.3.8.1** The official allegations and any subsequent charges must be reported to the credential holder's current district or the Mission Global department.
  - 10.6.3.8.2** Based on the nature of the allegations the superintendent of the credential holder's current district shall have the right to determine restriction of ministerial activities until the allegations have been resolved. In the case of a credential holder serving with Mission Global, the Executive Director of Mission Global shall have the right to determine restriction of ministerial activities until the allegations have been resolved.
  - 10.6.3.8.3** The District Superintendent of the district in which the offence occurred shall act as the officiating church officer on behalf of the credential holder's current district.
  - 10.6.3.8.4** The District Superintendent or Executive Director of Mission Global of the credential holder's current district or region shall have the right to have two members of the current district executive or Mission Global Operations Committee present should the procedures warrant a hearing.
  - 10.6.3.8.5** If the verdict of the hearing is guilty as charged, then the current district or Mission Global Operations Committee shall take appropriate credential action as determined by the hearing committee.
  - 10.6.3.8.6** The hearing files, including the minutes and decisions of the hearing committee, record of the actual charges, and written letters of confession shall be held in the credential holder's current district or department.
  - 10.6.3.8.7** If the verdict of the hearing is guilty as charged and a restoration program is deemed appropriate, the credential holder's current district or Mission Global department shall have responsibility for the restoration program.
  - 10.6.3.8.8** The current district or Mission Global Operations Committee has the responsibility to assess the appropriateness of credential reinstatement.

#### **10.6.4 REPORTS, RUMOURS, OR COMPLAINTS**

Should there be reports, rumours or complaints, written or unwritten, which appear to be persistent and serious concerning the credential holder and/or immediate family which have become publicly known and/or pose a detriment to the ministry of the individual, church, or fellowship, then the District Superintendent or the Executive Director for Mission Global and another district executive or Mission Global Operations Committee member, shall use their judgment to discuss the matter with the credential holder. The District Superintendent or Executive Director for Mission Global shall exercise discretion concerning whether or not to commence an official investigation.

If, after due consideration of reports, rumours or complaints, it is determined that a formal allegation should be made, the said allegation shall be prepared by, or as directed by, the District Superintendent or the Executive Director for Mission Global.

#### **10.6.5 STATEMENT OF CONDUCT**

Should a credential holder admit to or confess to a wrongdoing or misconduct such as should require disciplinary action, then the District Superintendent or Executive Director for Mission Global shall require a signed statement detailing the conduct by the credential holder. Notwithstanding the receipt of a signed confession of wrongdoing, the District Superintendent or Executive Director for Mission Global may also exercise discretion concerning whether or not to commence an official investigation and shall have the right to determine restriction of ministerial activities.

**10.6.5.1** The district executive or Mission Global Operations Committee shall be presented with the signed statement and shall hear any further details of the matter as presented by and at the discretion of the District Superintendent or Executive Director for Mission Global.

**10.6.5.2** The person making the statement, and the spouse, shall be requested to appear, but a failure or refusal to appear shall not prevent the matter from being presented to and acted upon by the district executive or Mission Global Operations Committee.

**10.6.5.3** The District Superintendent or Executive Director for Mission Global shall have a restoration program ready for approval if the credential holder has requested such.

**10.6.5.4** The district executive or Mission Global Operations Committee shall decide on the appropriate course of disciplinary action.

**10.6.5.5** Due consideration shall be given to a confession made voluntarily.

In the absence of such a signed statement, a disciplinary hearing shall be called, assuming that sufficient evidence is available for such a hearing.

#### **10.6.6 INVESTIGATION OF ALLEGATIONS**

Allegations with a description of the violation(s) must be made in writing and be properly signed by one who is willing to appear and give testimony at a district hearing.

Alleged violations under By-Law 10.6.2 shall be investigated. The District Superintendent or Executive Director for Mission Global, or their designate, and another credential holder appointed by the District Superintendent or Executive Director for Mission Global of the district or region in which the alleged offence is reported to have occurred, shall make an investigation, having in mind that it is their responsibility to safeguard the complainant, any witnesses, the minister, the church, and the Fellowship.

The District Superintendent or Executive Director for Mission Global, or their designate, may appoint additional credential holders to assist in investigations. They may also appoint credential holders from other districts to serve as investigators.

Furthermore, they may involve resource individuals, such as interpreters, cultural advisors, or technical specialists, to support the investigative process.

**10.6.6.1** Written and signed allegations shall be filed with the district or Mission Global department office describing the alleged violations.

**10.6.6.2** The person(s) making the allegation shall be interviewed in order to ascertain the facts in the case and the reasons underlying the allegations.

**10.6.6.3** The respondent credential holder(s) shall be given an opportunity to be interviewed to discuss the allegation.

**10.6.6.3.1** The credential holder shall receive a copy of the allegation.

**10.6.6.3.2** Upon being informed of the allegation, a respondent credential holder shall be granted the opportunity to make a statement with regard to the allegation.

**10.6.6.4** Should a credential holder, when presented with the allegations, admit to or confess a wrongdoing that requires disciplinary action, the procedures provided in By-Law 10.6.5 shall be followed.

**10.6.6.5** Should a credential holder, against whom allegations have been filed, refuse to be interviewed by the investigators, a copy of the written allegations must be sent to the credential holder by registered mail or hand delivered to the individual.

**10.6.6.6** A respondent credential holder is presumed innocent unless guilt is established. The fact that either formal or informal procedures have been initiated does not create an inference of guilt. An investigation is not to determine the guilt or innocence of the credential holder. The investigators shall consider the available testimony and determine if there is sufficient evidence to convene a disciplinary hearing. A minimum of two witnesses (individuals or separate sources of evidence) are required to proceed to charges being laid. The investigators shall seek to assemble all relevant facts, evidence and testimony to present to the disciplinary hearing.

**10.6.6.7** The ministry may be subject to restrictions during the investigation, at the discretion of the District Superintendent or Executive Director for Mission Global, on the basis of the evidence at hand and the nature of the alleged offence.

**10.6.6.8** During the course of an investigation, the investigators shall be careful to observe the principles of natural justice.

**10.6.6.9** Under no circumstances should the credential holder contact, either directly or indirectly, the person making the allegation. Failure to adhere to this requirement shall result in disciplinary action pursuant to By-Law 10.6.2.

## **10.6.7 LEGAL CHARGES**

**10.6.7.1** Where a credential holder has been legally charged under the *Criminal Code* or other federal statutes of Canada, or the criminal laws of another nation:

**10.6.7.1.1** No disciplinary action shall be taken until the legal charges, including appeal, have been officially dismissed or dealt with by the courts, except in cases where the district executive or Mission Global Operations Committee decides to proceed with charges arising from By-Law 10.6.2 and the credential holder signs a waiver permitting the district or Mission Global to initiate ecclesiastical disciplinary procedures.

**10.6.7.1.2** At the conclusion of the court proceedings the District Superintendent or Executive Director for Mission Global shall initiate investigation procedures based on charges arising from By-Law 10.6.2.

**10.6.7.1.3** Continuing ministry may be subject to restriction during the time of the legal proceedings at the discretion of the District Superintendent or Executive Director for Mission Global.

**10.6.7.1.4** In the event ministry is restricted, the credential holder charged under the *Criminal Code* or other federal statutes of Canada or the criminal laws of another nation shall continue to receive remuneration for a maximum of three months.

**10.6.7.2** When a credential holder is under investigation by the legal authorities for alleged offences under the *Criminal Code* or other federal statutes of Canada or the criminal laws of another nation which have yet to result in official legal charges, the District Superintendent or Executive Director for Mission Global shall proceed with an investigation of the allegations. If, during the course of the district or Mission Global investigation, legal charges are laid, then By-Law 10.6.7.1 shall apply.

**10.6.7.3** When a credential holder has allegations made against them that could be a violation of the *Criminal Code* or other federal statutes of Canada or the criminal laws of another nation:

**10.6.7.3.1** The District Superintendent or Executive Director for Mission Global shall proceed with an investigation of the matter to determine the validity of the allegations.

**10.6.7.3.2** If the investigation indicates sufficient evidence to proceed with disciplinary action, the investigating officers shall use their discretion in reporting the matter to the legal authorities, unless formal reporting is required by law.

**10.6.7.3.3** Should the allegations against the credential holder be one of a violation that is required by law to be reported (including but not limited to offences against minors), the district or Mission Global investigators shall report the offender to the appropriate legal authorities. The district or Mission Global investigators shall be guided in their own investigation pursuant to By-Law 10.6.2 and By-Law 10.6.7.1-2.

**10.6.7.3.4** In the event ministry is restricted, the credential holder charged under the *Criminal Code* or other federal statutes of Canada or the criminal laws of another nation shall continue to receive remuneration for a maximum of three months.

#### **10.6.8 CIVIL SUITS**

If a credential holder is charged or sued in a civil suit, the District Superintendent or Executive Director for Mission Global shall have the right to investigate and determine if the district should proceed with charges.

#### **10.6.9 PREPARATION AND FILING OF CHARGES**

If, after due investigation of allegations, it is determined that charges should be laid, formal charges shall be prepared and filed in the district or Mission Global office. The investigators shall have the right and responsibility to make written charges if there is sufficient evidence to present a reasonable case for a hearing. The laying of formal charges is not to be considered as an indication of belief in the guilt of the respondent credential holder by the investigators. It is a procedural matter to deal with evidence at hand.

The person against whom charges have been filed shall be informed in writing of the charges made according to By-Law 10.6.2, including a signed copy of the charges; either by registered mail or hand delivered to the individual on behalf of the investigating committee at least 15 days before being called to appear before the hearing committee. The disciplinary hearing should take place, if possible, in the locality of the alleged offence or offences to facilitate access to as many witnesses as possible.

Should a credential holder, following the issuance of charges, admit to or confess to the charges, the District Superintendent or Executive Director of Mission Global shall exercise discretion as to whether or not a disciplinary hearing needs to proceed.

Being officially notified of the charges, the credential holder may be relieved of ministerial activities and provision for a ministry replacement shall be made by the District Superintendent or Executive Director for Mission Global or their representative.

A credential holder shall have the right, however, to receive salary and housing benefits or salary and use of the parsonage, until disposition of the charges has been formally made.

Such hearing shall take place within 40 days of formal charges being delivered, or the entire proceeding shall be rescinded, including any limitation of ministry.

The date of the hearing may be extended beyond the 40-day period upon the request of either the credential holder or the District Superintendent or Executive Director for Mission Global if both parties agree in writing to the time extension.

The date of the hearing may be extended for unusual circumstances such as the illness of one of the parties or of a significant witness, certified by a district or Mission Global approved medical authority, or an act of God; upon a request made by one of the parties to the District Superintendent or Executive Director for Mission Global or their designate who shall set a date for the hearing.

#### **10.6.10 DISPOSITION OF ALLEGATIONS**

- 10.6.10.1** If the investigators conclude under the terms of By-Law 10.6.6 that insufficient reason exists for a hearing, then the matter shall be dropped.
- 10.6.10.2** The complainant and the credential holder shall be informed in writing that the investigation has been concluded and there is insufficient evidence to lay charges.
- 10.6.10.3** There shall be no record of the investigation transferred with the file of the respondent credential holder if the credential holder leaves the district or Mission Global department.
- 10.6.10.4** The District Superintendent or Executive Director for Mission Global, or their appointee, may seek to counsel all parties involved towards reconciliation in their relationships and to bring to an end any continuation of rumours or conflicts related to the matter.

#### **10.6.11 DISCIPLINARY HEARING**

Upon the laying of charges by the investigators, the District Superintendent or Executive Director for Mission Global shall arrange for a disciplinary hearing.

The credential holder shall be required to appear at the hearing.

However, if the credential holder refuses to attend the hearing or fails to appear for reasons of willful neglect, the hearing shall proceed.

If the credential holder has chosen not to attend the hearing, then the credential holder will not be eligible to appeal the decision rendered.

##### **10.6.11.1 THE CHAIR**

The District Superintendent or Executive Director for Mission Global may appoint a member of the district executive or Mission Global Operations Committee or a member of the substitute committee to chair the hearing committee. In any case it shall not be chaired by either of the investigators.

The Chair of the hearing committee shall prepare an agenda and arrange for all matters of the hearing.

The Chair shall appoint a recording secretary who is not necessarily a member of the hearing committee.

##### **10.6.11.2 THE ROLE OF INVESTIGATORS**

**10.6.11.2.1** The investigators shall bring a report to the hearing and offer evidence as discovered during the investigation procedures.

**10.6.11.2.2** They shall not be present or participate when the verdict is being considered.

**10.6.11.2.3** No evidence or counsel regarding the evidence shall be given by the investigators or complainant in the absence of the respondent credential holder, unless the respondent credential holder has failed to or has refused to appear at the hearing.

**10.6.11.2.4** If the District Superintendent or Executive Director for Mission Global does not serve on the investigation committee or provide testimony at the district hearing committee, the District Superintendent or Executive Director for Mission Global shall have the right to be present as an observer and a procedural resource person. The District Superintendent or Executive Director for Mission Global shall not be present or participate when the verdict is being considered.

**10.6.11.3** Legal counsel shall not be present at the disciplinary hearing.

**10.6.11.4** The respondent credential holder shall have the right to have another credential holder and/or spouse present for support, but not as an active participant in the hearing process.

The complainant shall have the right to have another person present for support, but not as an active participant in the hearing process.

- 10.6.11.5** The agenda and proceedings shall provide sufficient opportunity for the investigators and respondent credential holder to speak, offer evidence, cross-examine, present witnesses, and to make a summation statement. The hearing committee shall also have the opportunity to ask questions of the investigators, complainant and respondent credential holder and the witnesses. The hearing committee shall not become involved in debating with the parties involved, or in any way conduct or appear to conduct themselves, as prosecuting or defending the complainant or respondent credential holder. It shall be the role of the hearing committee to question and make inquiry of the participants and to seek to have all the facts, evidence and testimony duly presented and examined to ensure an objective decision.
- 10.6.11.6** The verdict shall be made by secret ballot in the absence of investigators and complainant and respondent credential holder. At least a two-thirds majority vote shall be required to determine guilt.
- 10.6.11.7** If it has been determined that guilt has been established, discipline shall be administered prayerfully and in the fear of God, in accordance with the Scriptures, and as set forth in the *General Constitution and By-Laws* of this ecclesiastical body.
- 10.6.11.8** If, in the opinion of the hearing committee, evidence indicates that the credential holder is innocent of the charge actually laid, but guilty of a related offence, an appropriate verdict may be rendered.
- 10.6.11.9** If, in the opinion of the hearing committee, the evidence heard indicates a not guilty verdict with regard to the charge actually laid, but there is evidence of an offence in another area, then new charges shall be prepared, signed and delivered to the individual so charged, and a new hearing scheduled with a substitute hearing committee.

#### **10.6.11.10 THE VERDICT**

- 10.6.11.10.1** The verdict shall be communicated to the District Superintendent or Executive Director for Mission Global and placed in the minutes of the district executive or Mission Global Operations Committee noting the charge only by reference to the specific section of the *General Constitution and By-Laws* of The Pentecostal Assemblies of Canada By-Law 10.6.2.
- 10.6.11.10.2** The District Superintendent or Executive Director for Mission Global shall communicate the verdict in writing to the credential holder, including the right and process of appeal, if eligible for an appeal, and to the complainant and to any other appropriate person within 10 days. The written statement to the credential holder must be sent by registered mail.
  - 10.6.11.10.2.1** If the verdict is one of not guilty, then no record of the hearing shall leave the district office or Mission Global department in the case of a transfer of the credential holder from the district or Mission Global department.
  - 10.6.11.10.2.2** If the verdict is one of guilt, the written statement to the credential holder shall inform them that credentials are suspended until restoration and reinstatement have been completed. The written statement shall inform the credential holder of the right and process of appeal.
- 10.6.11.10.3** If a credential holder confesses to a wrongdoing or is found guilty by a hearing committee, then the District Superintendent or Executive Director for Mission Global should use discretion as to whether a public announcement needs to be made to state the cause of discipline (using the specific words of the *General Constitution and By-Laws*) to the appropriate people. A statement of disciplinary action taken shall be communicated in writing to the local church board or national fellowship partner where applicable.

#### **10.6.12 DETERMINATION OF DISCIPLINE**

**10.6.12.1** It shall be the responsibility of the district executive or Mission Global Operations Committee to determine whether the circumstances of the case merit probation, suspension, or dismissal. The district executive or Mission Global Operations Committee shall weigh decisions on:

**10.6.12.1.1** the basis of the offence itself;

**10.6.12.1.2** the manner and thoroughness of repentance;

**10.6.12.1.3** the attitude of the offending credential holder toward the discipline;

**10.6.12.1.4** the manifested willingness to cooperate;

**10.6.12.1.5** the requirements of the *General Constitution and By-Laws*.

**10.6.12.2** If the verdict is guilty, the credential shall be suspended immediately unless it is determined to be a minor violation. Ministry employment may also be terminated.

**10.6.12.2.1** If, in the opinion of the district executive or Mission Global Operations Committee, restoration is feasible, a restoration program shall be provided.

**10.6.12.2.2** If restoration is feasible, the credential holder shall have up to one year to apply for the restoration program; otherwise credentials shall be dismissed.

**10.6.12.2.3** If at any time the district executive or Mission Global Operations Committee determines that restoration is not feasible, the credential holder shall be dismissed.

**10.6.12.3** If a credential holder has confessed to or has been found guilty by a hearing committee of an infraction not meriting suspension, the district executive or Mission Global Operations Committee may deal with the infraction by reprimand and/or counseling and/or restriction of ministry for a probationary period.

#### **10.6.13 REPORTING DISCIPLINARY ACTION TO THE INTERNATIONAL OFFICE**

The names of persons suspended shall be forwarded to the office of the General Secretary Treasurer who shall report the same to the General Executive. Suspensions shall not be reported in any published lists of credential status. Disciplinary procedures resulting in dismissal shall not be reported until the opportunity for appeal shall have lapsed.

#### **10.6.14 RIGHT OF APPEAL**

An appeal of the decision of the hearing committee shall be made in the following manner.

The credential holder shall make such a request in writing to the General Secretary Treasurer of The Pentecostal Assemblies of Canada.

**10.6.14.1** The written request must specifically state the nature, purpose and reason for the appeal based on the process leading to the judgment rendered.

**10.6.14.2** The appeal committee shall base the appeal hearing on the reason for appeal stated by the credential holder.

**10.6.14.3** New evidence shall not be a reason for the appeal, nor shall new evidence be accepted at the appeal hearing.

**10.6.14.4** The appeal committee has the responsibility to review the adherence to the constitutional process leading to the judgment rendered.

**10.6.14.5** If the constitution has not been followed in minor matters that did not adversely affect due process in arriving at a just and fair verdict, the appeal committee shall uphold the judgment of the hearing committee and issue a written statement of correction to the district.

**10.6.14.6** The appeal committee may overturn the decision of the hearing committee if the judgment is deemed inappropriate or the failure to follow constitutional guidelines has hindered due

process. This request for appeal must be received by the General Secretary Treasurer by registered mail within 40 days of the verdict of the hearing committee. The General Executive or the Executive Officers Committee as their representatives shall appoint five ordained ministers, two of whom shall be members of the General Executive and none of whom shall have been part of the original proceedings. The appeal shall be conducted within 60 days of receiving the request for an appeal, and 30 days notice shall be given for the date and place of the appeal.

The respondent credential holder shall be present at this appeal, but if there is neglect or a refusal to attend the appeal, it shall not proceed and there shall be no further right of appeal.

The District Superintendent or Executive Director for Mission Global shall appoint one member of the hearing committee and one member of the investigating committee to represent the district or Mission Global. If the District Superintendent or Executive Director for Mission Global did not serve on the investigating committee, nor provide testimony at the hearing committee, the District Superintendent or Executive Director for Mission Global, by virtue of office, has the right to be present at the appeal hearing as an observer only. The District Superintendent or Executive Director for Mission Global shall not be present or participate when the verdict is being considered.

The General Secretary Treasurer has the right to be present as an observer and a procedural resource person. The General Secretary Treasurer shall not be present or participate when the verdict is being considered.

Legal counsel shall not be present at the appeal.

The credential holder shall have the right to have another credential holder or spouse present for support but not as an active participant in the appeal hearing process.

The verdict of this appeal committee shall be determined by secret ballot and a simple majority of the five members. The verdict shall be final.

The General Secretary Treasurer shall communicate the verdict of the appeal committee to the credential holder making the appeal and to the District Superintendent or Executive Director for Mission Global by registered mail within 10 days. If the appeal committee has upheld the appeal of the credential holder, the District Superintendent or Executive Director for Mission Global shall inform the complainants who submitted the original allegation of the appeal committee's decision within 30 days of the appeal hearing.

If the credential holder has chosen to not attend the hearing, then the credential holder will not be eligible to appeal the decision that has been rendered.

#### **10.6.15 NEW EVIDENCE**

If at any time during the process of disciplinary action new allegations are made, the District Superintendent or Executive Director for Mission Global shall review them and consider a new investigation and the process of further disciplinary procedures according to By-Law 10 of the *General Constitution and By-Laws* of The Pentecostal Assemblies of Canada. If at any time during the disciplinary process new and substantive evidence is available that would support the credential holder and could overturn the decision of the hearing committee, the investigating officers shall review the evidence, and if there is substance to the new information that could affect the outcome of the hearing, the investigating committee shall call for a new hearing by the hearing committee. If the investigators judge the new evidence to be insufficient to warrant a new hearing, the credential holder has the right to request the appeal committee to review the new evidence and determine if the district or Mission Global shall hold a new hearing. If the new evidence occurs after the appeal board has made a final decision, then the district or Mission Global shall be responsible to hear the new evidence according to the *General Constitution and By-Laws*.

#### **10.6.16 RESTORATION**

An effort should be made to lead the offending credential holder through a program of restoration, administered in Christian love and kindness. The following provisions for restoration shall apply:

##### **10.6.16.1 ELIGIBILITY FOR RESTORATION**

Participants in the restoration program are required to make application in writing and provide an admission of guilt in reference to an offence(s) noted in By-Law 10.6.2.

When the hearing process results in a finding of guilt, the credential holder must make application for the restoration program within one year of the date of the disciplinary hearing or shall be dismissed.

If at any time the district executive or Mission Global Operations Committee determines that restoration is not feasible, the credential holder shall be dismissed.

In the event a credential holder who has been dismissed shall later show repentance and indicate a desire for reinstatement, the credential holder shall, upon obtaining the approval of the district executive or Mission Global Operations Committee, have the credential reinstated in suspended form and enter the prescribed restoration program, with the provision that the credential holder shall not be eligible for full reinstatement until the requirements of the program have been satisfactorily completed.

#### **10.6.16.2 BASIS AND PERIOD OF TIME**

For those found to have violated any of the principles in By-Law 10.6.2, the district executive or Mission Global Operations Committee shall determine the period of restoration.

The restoration period begins upon the approval of an application for restoration.

The period of restoration shall be not less than one year, unless the offence is determined to meet the criteria of 10.6.12.3. When the violation involves *porneia* as defined in Article 6.1 and By-Law 10.2, it shall be for a minimum period of two years. The district executive or Mission Global Operations Committee shall have authority to extend the restoration period based on the offence in order to ensure satisfactory completion of the restoration program.

The maximum number of restorations that a credential holder may be offered shall be two. A credential holder may be offered only one restoration for violations requiring a suspension of two years or more.

#### **10.6.16.3 PROCEDURE AND REQUIREMENTS**

The following procedure shall be used by the district executive or Mission Global Operations Committee in determining the specific requirements leading to restoration for the individual credential holder.

##### **10.6.16.3.1 SUSPENSION**

The credential holder shall be considered to be under suspension during the entire period of restoration. The suspended person must continue to reside within the district or region, unless otherwise approved by the district executive or Mission Global Operations Committee.

There must be absolutely no ministry for the first half of the restoration period. For the remainder of restoration, ministerial involvement shall be at the discretion of the supervisor appointed by the district executive or Mission Global Operations Committee. Ministry involvement during the term of suspension shall not include "preaching" and shall be confined to the church of the supervising pastor. The credential holder shall not be eligible for any appointed or paid ministry staff position until the suspended credential is fully reinstated.

In situations when a credential holder offers a voluntary statement concerning inappropriate conduct which results in disciplinary action, and when the credential holder demonstrates significant personal spiritual growth during the restoration period, the district executive or Mission Global Operations Committee may appeal to the General Executive for permission to shorten the period of discipline.

##### **10.6.16.3.2 SUPERVISOR'S REPORTS**

The credential holder under restoration shall report monthly to the supervisor approved by the district executive or Mission Global Operations Committee, and to the District Superintendent or Executive Director for Mission Global.

##### **10.6.16.3.3 CLASSIFIED INFORMATION**

The hearing committee reports and supporting documents shall be preserved for future reference in the files of the district or Mission Global department. All records of

offenses shall be destroyed seven years after the person has had the credentials reinstated with The Pentecostal Assemblies of Canada.

**10.6.16.3.4 COMPLETION OF RESTORATION**

When the restoration period is satisfactorily completed in the view of the district executive or Mission Global Operations Committee, the credential holder shall be invited to make application for the reinstatement of the credentials.

**10.6.16.3.5 TERMS SUBJECT TO DISTRICT DISCRETION**

The terms of restoration, as stated above, shall be administered at the discretion of the district executive or Mission Global Operations Committee.

**10.6.16.3.6 MINISTERIAL BENEFITS NOT FORFEITED**

During the period of restoration, the minister shall continue to be eligible for benefits such as the ministers' group insurance and ministers' Pension Fund.

**10.6.17 DISCIPLINARY RECORDS**

**10.6.17.1** If the verdict is one of guilt, then the minutes of the hearing and any other relevant documents shall be maintained by the district or Mission Global department in a confidential file for seven years after reinstatement has occurred at which time they shall be destroyed. The district or Mission Global department shall keep a record of the disciplinary decisions in the official minutes of the district executive or Mission Global Operations Committee.

**10.6.17.2** If the verdict is one of guilt and reinstatement does not occur, the files shall be kept by the district or Mission Global department indefinitely.

**10.6.17.3** If the decision of the disciplinary hearing is appealed to the General Secretary Treasurer, the International Office shall keep a record of the appeal process for seven years following restoration and indefinitely if reinstatement does not occur.

**10.6.18 REINSTATEMENT OF CREDENTIALS**

**10.6.18.1** Persons who have had their credentials suspended and are seeking reinstatement shall make application in writing to the district executive or Mission Global Operations Committee. If, in the opinion of the district executive or Mission Global Operations Committee, the restoration program has been satisfactorily completed, then the district executive or Mission Global Operations Committee shall recommend the reinstatement of credentials to the Superintendents Committee for approval.

**10.6.18.2** Persons applying for reinstatement may, at the discretion of the Superintendents Committee, be requested to appear and answer questions.

**10.6.18.3** The decision of the Superintendents Committee shall be final and binding.

**10.6.18.4** There shall be no reinstatement of credentials for a person who is found guilty of a sexual offence involving a person under the age of 18 as determined by a district executive or Mission Global Operations Committee as outlined in By-Law 10.6.2, or found guilty of a sexual offence by a court as defined in the *Criminal Code* or other federal statutes of Canada or the criminal laws of another nation.

**10.7 MINISTERS AND CHURCH RELATIONSHIP**

**10.7.2** A pastor shall not hold title to church property.

**10.7.3** A pastor or pastor's spouse shall not act as treasurer for a congregation duly set in order.

EXCEPTION: Where a pastor is temporarily authorized by the district executive, they shall give an account to the executive.

## **10.8 MINISTERIAL RELATIONSHIPS**

### **10.8.1 DISTRICT MINISTERIAL RELATIONSHIPS**

**10.8.1.1** The district executive, upon a recommendation of the District Superintendent, may appoint a coordinator of ministry relationships whose role shall be to facilitate harmonious relationships among credential holders in The Pentecostal Assemblies of Canada.

**10.8.1.2** This person shall serve under and be accountable to the District Superintendent and the district executive.

#### **10.8.1.3 DISTRICT MINISTERIAL RELATIONSHIPS COORDINATOR**

Notwithstanding the foregoing, when, in the considered opinion of the district executive committee, there exists an unresolved deteriorating situation within a local assembly, such as an evident exodus of people or a decrease of finances to the point at which the solvency of the assembly is in jeopardy, or there is a serious deterioration of pastor-congregation relations, that in such cases the district executive committee shall be authorized to arrange a meeting with the pastor and the board of the assembly and to take positive steps to resolve the situation.
