

Worship Pastor/ Director JOB DESCRIPTION (Part-Time)

Position Summary

The Worship Pastor/Director provides spiritual, musical, and technical leadership for New Beginning Church's worship ministry. This part-time role is a vital part of our church staff team, overseeing worship for Sunday services and special events. The Worship Pastor is responsible for mentoring and developing volunteers, leading worship teams, and fostering a culture of Spirit-led, Christ-centered worship that aligns with the church's vision and mission.

Key Responsibilities:

Worship Leadership

- Lead worship for Sunday services and additional gatherings as needed (e.g., special events, prayer nights).
- Create an atmosphere open to the leading of the Holy Spirit, encouraging authentic worship experiences.
- Collaborate with the Lead Pastor and staff to ensure worship aligns with sermon themes and the overall church vision.
- Contribute to the growth and development of worship ministries across all age groups.

Team Development

- Recruit, mentor, and pastor worship team members, fostering both spiritual and technical growth.
- Lead regular rehearsals, providing clear direction, musical coaching, and resources for team members.
- Schedule worship teams and ensure clear communication of expectations.

- Encourage intergenerational involvement in worship ministry by mentoring young musicians and vocalists.

Tech and Media Oversight

- Oversee sound, media, and production volunteers to ensure a high-quality worship experience.
- Maintain and manage worship-related equipment and technology, ensuring functionality and excellence.
- Collaborate with A/V team leaders to enhance the overall worship environment.

Staff Collaboration

- Actively participate in staff meetings and planning sessions, contributing ideas and working collaboratively.
- Assist in the planning and execution of seasonal services (e.g., Christmas, Easter, Baptisms, etc.).

Qualifications

- A vibrant and growing relationship with Jesus Christ and alignment with the mission and values of New Beginning Church.
- Experience in a worship leading role.
- Familiarity with contemporary worship styles.
- Knowledge of sound systems, media, and worship technology.
- A self-starter with a teachable spirit, willing to receive input and mentoring.
- Proven ability to recruit, lead, and develop healthy, effective teams.
- Strong organizational and interpersonal skills, with the ability to work collaboratively in a team setting.
- Bible college or theological training (**preferred**)

Core Values

At New Beginning Church, we value:

- Spirit-led worship that brings glory to God.
- **Excellence** that removes distractions and draws attention to Christ.

- Developing people, not just programs, fostering discipleship and leadership.
- Unity across worship, tech, and leadership teams.
- Empowering the next generation of worship leaders and musicians.

If you feel called to this role and meet the qualifications, we'd love to hear from you!
