

Week of February 10, 2020

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

WORLDWIDE

Pray for God's intervention in the coronavirus health emergency that has most severely affected people in Wuhan, China, but which is continuing to spread around the world. The virus has killed hundreds of people, and thousands of additional cases have been confirmed. Pray for healing for those who have been diagnosed with the virus, and for comfort for those mourning loved ones who could not be saved. Pray for peace for all of those impacted and for those concerned about becoming infected. Pray that God will grant wisdom to doctors and nurses on how to treat quarantined patients. Pray also for God to intervene so that new cases are severely limited.

QUEBEC DISTRICT

Pray for everyone who attended the Revitalization 2020 seminar at Trinity Pentecostal Church in Montreal, Quebec, this past weekend (February 7 to 8). The yearlong program is being offered to help pastoral teams build on the strengths of their congregation to better accomplish their vision. May they feel spiritually refreshed and experience continued inspiration from God through what they learn. Pray that the Holy Spirit will speak to them and give them a renewed vision on how to reach their communities for Christ.

Sam & Ruth Vijayasenan

INDIA

Pray for Sam who, while based in Canada, will travel to India several times a year to be a bridge to empower, partner, train and equip next level ministry leaders in India. Pray for the one billion people in India to be reached for God's kingdom. Pray for God's favour for him so he can partner with both Canadian and Indian churches, and empower and equip Indian leaders to be used in reaching people in India. Pray also for family protection, and for God's direction, as Sam ministers.
