

Week of September 2, 2019

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

PRAY CANADA

Pray Canada is a six-week prayer campaign for the 2019 federal election which begins on September 8. It is the goal of the campaign to have Canada's 338 ridings covered in prayer leading up to the federal election in October. Congregations across the country can adopt their riding in prayer to bless their federal leaders and all who are involved in the electoral process. Pray that people will be inspired as they pray for the federal leaders. Pray also that the Lord's kingdom would be advanced throughout our communities and our nation. HURRICANE DORIAN

Please pray for the hundreds of thousands of people impacted by Hurricane Dorian in the Bahamas and the United States. Pray for comfort and peace, and that food, water, fuel and aid supplies will get to where they are needed. Pray also that those who need medical attention will receive it quickly, and for strength and wisdom for all of the first responders.

Cavell Rowsell

THAILAND

May God bless Cavell with wisdom and direction as she works with the Full Gospel Assemblies of Thailand. Pray for labourers that will come and help gather in the harvest of souls, for mentors to new converts, and for long-term leaders. Pray for more native English-speakers who would be willing to assist a generation practice speaking and hearing English. Pray also that God will guide all the new ministries being birthed in communities throughout Thailand.
